Capo 1

Intro: | A | D | A | E | B7 | E (x4) |

```
(E)            B7                          E
    I keep a close watch on this heart of mine
           B7                      E
I keep my eyes wide open all the time
            A                            E
I keep the ends out for the tie that binds
                B7               E
Because you're mine, I walk the line
```

A (4 bars)

```
           E                       A
I find it very, very easy to be true
           E                             A
I find myself alone when each day is through
             D                        A
Yes, I'll admit that I'm a fool for you
                E                A
Because you're mine, I walk the line
```

D (4 bars)

```
             A                        D
As sure as night is dark and day is light
            A                       D
I keep you on my mind both day and night
          G                                 D
And happiness I've known proves that it's right
                A                D
Because you're mine, I walk the line
```

A (4 bars)

```
(A)               E                       A
    You've got a way to keep me on your side
              E                           A
You give me cause for love that I can't hide
            D                             A
For you I know I'd even try to turn the tide
                E                A
Because you're mine, I walk the line
```

E (4 bars)
