

D Em C A
 He climbed cathedral mountains, he saw silver clouds below
 D Em G A
 Saw everything as far as you can see
 D
 And they say that he got crazy once and that he
 Em C A
 Tried to touch the sun
 D Em G A
 And he lost a friend, but kept the memory
 D Em C A
 Now he walks in quiet solitude, the forest and the stream
 D Em G A
 Seeking grace in every step he takes
 D Em C A
 His sight is turned inside himself, to try and understand
 D Em G A
 The serenity of a clear blue mountain lake.

G A D
 And the Colorado Rocky Mountain High
 G A D
 I've seen it raining fire in the sky
 G A D (climb up) G
 You can talk to God and listen to the casual reply
 D Em G A (*it's the intro riff again*)
 Rocky Mountain High
 D Em G A
 Rocky Mountain High

D Em C A
 Now his life is full of wonder but his heart still knows some fear
 D Em G A
 Of the simple things he can not comprehend
 D Em C A
 Why they try to tear the mountains down to bring in a couple more
 D Em G A
 More people, more scars upon the land

G A D
 It's the Colorado Rocky Mountain High
 G A D
 I've seen it raining fire in the sky
 G A D (climb up) G
 I know he'd be a poorer man if he never saw an Eagle fly
 D Em G A
 Rocky Mountain High

REPEAT CHORUS
